May 2022 CDPH MHCC Event Activation

The California Department of Public Health (CDPH) has activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to the 2022 May National Infant Formula Shortage Event and the 2022 May Monkeypox Virus Event.

- Hours of Operation: Monday to Friday from 0800 hours to 1700 hours

SITUATION SUMMARY

Cal OES INLAND REGION

- Nothing significant to report.

Cal OES COASTAL REGION

Jacqueline Fire, Pittsburg, Contra Costa County

On 06/17/22, the California State Warning Center was alerted by its social media monitoring tools of a five-acre fire that had grown to 200 acres with evacuations issued in Pittsburg, Contra Costa County.

Per Cal OES Duty Officers:

- The fire bounded by Jacqueline Dr, Daffodil Dr. and Serrano Drive resulted in evacuations of approximately 4,000 residents.
- A WEA Alert was sent out for the evacuation at 0319 hours.
- Evacuation orders have been lifted.
- Residents are free to resume normal activities but urged caution as first responders are still in the area.
- Forward progress stopped without structure loss.
- There are no unmet needs.

NBA Finals-Game 7 Warriors Celebration, City and County of San Francisco

The 2022 NBA Champion Golden State Warriors and the City of San Francisco will host a Championship Parade, Monday, 06/20/22, beginning at beginning at approximately 1120 hours and will conclude at approximately 1400 hours.

- The parade will begin on Market Street at Main Street and will end at Market and 6th Street (1.04 miles in length)
- This will be a parade only and will not include a rally in Civic Center Plaza.
- There are no unmet needs from SF DEM.

Cal OES SOUTHERN REGION

- See Fire Activity Slides

Fish Fire, Proclamation, City of Duarte, Los Angeles County

On 06/17/22, a Local Emergency Proclamation was received from the City of Duarte due to impacts from the Fish Fire requesting a Gubernatorial Proclamation, CDAA, and State and Federal assistance.

COVID-19 SUMMARY

Coronavirus Disease 2019 (COVID-19)

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On 02/17/22, Governor Newsom unveiled the "[California SMARTER Plan: The Next Phase of California's COVID-19 Response](#)". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions.

CDPH Statewide Travel Advisory

- For more information: [CDC Travel Guidelines](#)

Confirmed California COVID-19 Cases - Per California Department of Public Health Tracking COVID-19 as of 06/15/22 at 1630 hours:

- 9,169,339 total confirmed cases.
 - 110,437 Delta
- 91,107 total deaths.
 - 215 Delta
- Please see the most recent "Situation Report - COVID-19" attachment for additional details.

Sunday

Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms may produce locally higher rainfall amounts.

Precipitation (inches)

Heat Risk

Regional Operations Center

Western Region

Friday, June 17

Friday

Saturday

Sunday

Green	Level 0	No Elevated Risk
Yellow	Level 1	Low Risk for those extremely sensitive to heat, especially those without effective cooling and/or adequate hydration
Orange	Level 2	Moderate Risk for those who are sensitive to heat, especially those without effective cooling and/or adequate hydration

Red	Level 3	High Risk for much of the population, especially those who are heat sensitive and those without effective cooling and/or adequate hydration
Magenta	Level 4	Very High Risk for the entire population due to long duration heat, with little to no relief overnight

Weather Outlook (6-14 Days)

Regional Operations Center

Western Region

Friday, June 17

6-10 Day Outlook (June 22 - June 26)

Temperatures

- Above normal temperatures are favored for much of the state, with below normal temperatures slightly favored near the Oregon border

Precipitation

- Below normal precipitation is favored for northern California, with near normal precipitation favored for central and southern California

8-14 Day Outlook (June 24 – June 30)

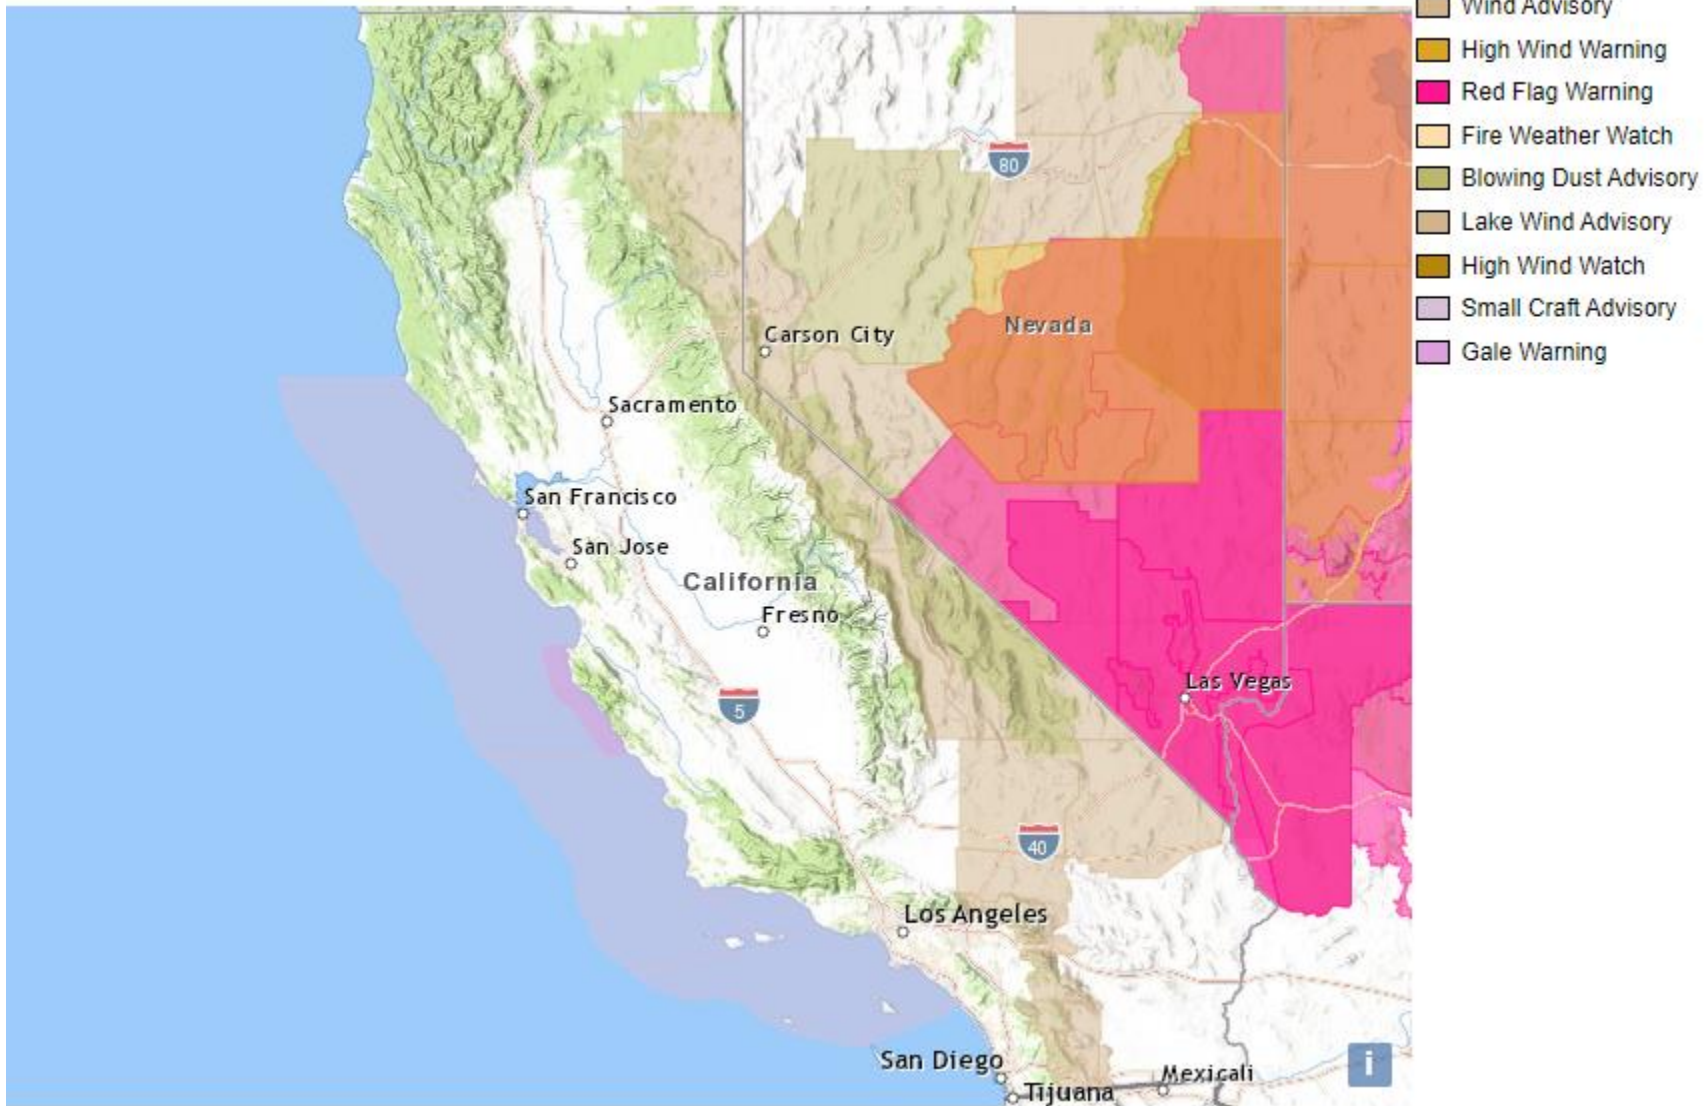

Temperatures

- Above normal temperatures are favored for much of the state, with below normal temperatures slightly favored near the Oregon border

Precipitation

- Below normal precipitation is favored for northern California, with near normal precipitation favored for central and southern California

WEATHER MAP

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW-79226, (Mass Fatality Exercise):** Request 1 cache of APX8000 radios with CRIS programming for 2 mass fatality exercises in late July. TDO coordinating.
- **2022-LAW-79192, 06/15/22, 1940 hours:** IERCC contacted CSWC and advised of an inReach activation at coordinates 36.771283, -118.484438 which plots to the Bubbs Creek Trail in Sequoia/Kings Canyon (SEKI) NPS in Fresno County. LDO contacted SEKI dispatch to confirm receipt of information. SEKI confirmed receipt and advised Rangers were on scene with subject. Subject had been evaluated earlier signed out AMA. Rangers will stay with subject overnight and monitor. A course of action will be decided on in the morning. **Update: 06/16/22, approx. 1100 hours:** LDO contacted SEKI dispatch who confirmed they have dispatched a helicopter and are working to get the subject on-board and to transport him via helicopter to their heli-base for ground transport to a local hospital. At 1215 Hours, IERCC contacted the LDO to advise the subject has been safely extracted and transported to the hospital. **MISSION CLOSED.**
